

## LET'S MEET IN AMSTERDAM, LET'S MEET AT THE PALAZZO

**The Palazzo** is the "Theater of Senses".  
The unique experience of a theatrical event and a delicious dinner make it all extraordinary.

### **Destination Management Holland**

proposes to organize your next dinner event at **The Palazzo**.  
Whether it is for business purposes or any company's welfare needs, the pleasure of a high quality event is guaranteed!

**The Palazzo** is the ultimate combination of theater and dinner at the same time!  
Throughout the event breathtaking artistic acts assure that there will not be a dull moment.  
The very well-known **SPYMONKEY** comedians will entertain you during the whole evening.

The entire event unfolds theater, gastronomy, acrobatics, magic and illusion that takes everybody into another enchanted world.

**The Palazzo** has once again succeeded in acquiring one of the most beautiful of all existing **mirror palaces: Salon Victoria.**

With its red shaded brown atmosphere of mahogany, cozy compartments, beautiful lights in faceted mirrors, Salon Victoria evokes the ambience of our grandparents –then youngsters– dancing to the tunes of a ballroom orchestra.

For further information or a quotation please do not hesitate to contact us.  
The Palazzo takes place until end of February 2009!

We look forward to welcoming you, your clients and your guests at the Palazzo in Amsterdam.
